Slogan:
Aspiration for Sustainability, Innovation & Applicability (ASIA)

Introduction

The Consortium of Institutes on Family in the Asian Region (CIFA), an independent non-profit making organization registered under laws in Hong Kong, aims to serve as a regional hub for networking with similar organizations / interested professionals with the mission of 'Converging Professional Wisdom for Family Well-Being'. The goal is to strengthen family functioning and promote family health in the region while contributing to the body of knowledge in relationship science in the international arena. Its function is to support and enhance mutual interest in research and training initiatives, and to share clinical experiences and policy formulation on families that are unique to the Asian region.

Objectives of 3A Project

The 'Asian Award for Advancing Family Well-Being' ('3A Project') is presented to projects that have advanced an innovative idea, model, or paradigm that could improve the quality of life for families and enhance their well-being.

The aims of this project are to provide an opportunity to promote CIFA as a regional platform, encourage sharing of valuable experience which can be applied in developing family work in the region through active participation, and give recognition to outstanding and innovative work that truly reflect the mission of CIFA in "Converging Professional Wisdom for Family well-being". Thus, emphasis is laying the foundation and creating the momentum among professionals in different countries which will ultimately contribute to the sustainable development of the whole Asian region.

Specific Objectives:

- To promote and identify outstanding and innovative projects
- To introduce the awarded projects to other countries
- To review the suitability and sustainability of the transferred knowledge
- To develop a handbook/guideline

Project themes:

- Promoting and Enhancing Family Functions
- Encouraging cross-sector/professional collaboration
- Supporting families at special circumstances
- Embracing changes for family sustainable development

Description of the project

- > What challenges/issues does the project address?
- > Who are the current and potential beneficiaries of the project?
- > Who are and what is the nature of the partnership?
- > How was the partnership formed?
- > What are the achievements?
- > How the project might be replicable/what lessons are there to learn from this project?
