

Consortium of Institutes on Family in the Asian Region

Wofoo 3A Project 2016 Exchange Program

Sharing Session on 16 June, 2017

Project description

Year	Region/ Country	Organization	Name of Project	Project Description
2016	HK	Heep Hong Society (Gold Award)	"Happy Parenting Program" - The First Local Evidence-based Parenting Program for Parents of Preschoolers with Developmental Disabilities	It is a parenting skills training program for parents of children with developmental disabilities. It aims to reduce child problem behaviour; parenting stress and inappropriate parenting practices.
2016	Singapore	Touch Community Services Pte Ltd (Silver Award & My Favourite Project)	TOUCH Cyber Wellness Family Support Programme	Excessive gaming among youths resulting in family conflict is a growing concern that requires our attention. It can be managed by bridging the digital gap between the parent and child through providing intervention and insights, not only to parents but also practitioners who deal with such issue.
2016	HK	Hong Kong Lutheran Social Service, LC-HKS - Rainbow Lutheran Centre (Bronze Award & The Best Collaborative Award)	Pregnant Psychotropic Substance Abusers Family Supporting Scheme	The Scheme is a family-oriented project, benefitting pregnant women and mothers with psychotropic substance abuse problems, the drug-dependent fathers as well as their family members adopting a multi-disciplinary approach among drug counselling workers, medical professionals and participants' families.
2016	China	Foshan Yixin Social Service Agency - Beijiao Employees' Services Centre (Outstanding Award)	Supportive Programme for Victims of Industrial Accidents	The program aims to create a friendly environment where victims and their family can receive psychological support, immediate financial assistance, legal advice, rehabilitative service and other social community support. demonstrating the need to involve various stakeholders to cope with a problem faced by migrant workers.

Consortium of Institutes on Family in the Asian Region

Year	Region/ Country	Organization	Name of Project	Project Description
2016	HK	The Hong Kong Anti-Cancer Society (Outstanding Award)	"Walking Hand-in-Hand" Cancer Family Support Project	The project is a personalized, family-approach, community out-reached project with the aim of "Collaboration in raising Awareness and building Networks, adopting a Community-based approach in Empowering cancer patients and families for their long term physical and psychological Rehabilitation (CANCER).
2016	HK	Senior Citizen Home Safety Association (Outstanding Award)	Life Journey Centre	The Life Journey Centre aims to help the public to understand ageing being a natural part of life, to build empathy and a sense of responsibility to care for the elderly and to stimulate inter-generation engagement, especially in the context of the family.
2016	China	Shanghai Social Worker Agency for Public Affairs (Outstanding Award)	The Ambition of Flying Up in the World - Asset - Building Intervention Project for Poor Family in Shanghai, China	The project aims at enhancing poor families' self-efficacy by encouraging them to develop sustainable saving habits and pursue their children's further education while providing financial and family management skills training program.
2016	HK	TWGHs Centre on Family Development (Outstanding Award)	The Hong Kong Jockey Club Community Project Grant - Parent Child Interaction Therapy (PCIT) Service	The project serves parents with children aged 2 to 7 with behaviour difficulties facing parental stress. The past 2 randomised controlled trial researches illustrated that PCIT was a promising treatment in dealing with the problem.
