Families & the 2030 Agenda for Sustainable Development

Ms. Daniela Bas - Asian Family Summit – 20 August 2018

2.3 By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment

3.7 By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes

5.4 Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of **shared responsibility within the household and the family** as nationally appropriate

SUSTAINABLE DEVELOPMENT GOALS

WE ARE ALL FAMILY.

We are family

**I've got all my sisters
with me**

We are family

**Get up everybody and sing!
